

Fabienne and Derek Fredrickson

Fabienne and Derek Fredrickson are highly acclaimed speakers, seminar leaders and business mentors to thousands of entrepreneurs around the world. Their multimillion dollar coaching company, **ClientAttraction.com** was ranked on the Inc. 500/5000 List of America's Fastest Growing Private Companies in 2011. They teach solo-entrepreneurs how to make quantum leaps in their business using proven marketing systems and mindset shifts.

Company Founder, Fabienne Fredrickson is the creator of popular Client Attraction System®, the most complete Client Attraction training program for private practices and small businesses. She is a widely respected expert on marketing and success mindset for small businesses, known for combining a unique blend of innovative, no-fluff strategies that work, with an endless compassion for small business owners that are rarely seen together.

Company CEO, Derek Fredrickson coaches alongside Fabienne on authentic and practical online marketing techniques to help entrepreneurs attract more leads, convert more sales and multiply their current revenues. He recently launched his Authentic Internet Marketing site at DerekFredrickson.com.

Fabienne and Derek have created their “life by design” working together on their business in leading popular marketing and success mindset workshops, leading mastermind groups, full day consulting programs, as well as easy-to-implement home study products. At the same time, they are successfully creating what many would consider the ideal life of the entrepreneurial family, free to grow their income AND quality of life to unlimited levels, while spending more time with their growing family.
