**INC. MAGAZINE RANKS CLIENTATTRACTION.COM ONE OF
THE FASTEST-GROWING PRIVATE U.S. COMPANIES FOR 2011**

*World renown small-business expert and entrepreneurial coach Fabienne Fredrickson
Led Company to 543% Sales Growth Over Three-Year Span*

LOS ANGELES (August 29, 2011) – ClientAttraction.com (www.ClientAttraction.com), the world leader in transforming small business using marketing and mindset, has been ranked by Inc. magazine as No. 599 on its 5th annual Inc. 500|5000, an exclusive listing of the fastest-growing private companies nationwide.

Led by CEO and founder Fabienne Fredrickson, ClientAttraction.com was also identified as the 20th fastest-growing private company in the media category, the 10th fastest-growing private company in Connecticut, and among the Top 100 for fastest-growing private companies that are women owned.

ClientAttraction.com was recognized by Inc. as a result of its high growth rate, which has totaled 543 percent over the past three years. Founded in 2000, ClientAttraction.com teaches entrepreneurs around the world how to consistently attract ideal, high-paying clients, put their marketing on autopilot and authentically create a highly successful and meaningful business, while working less. Through the Winners Academy coaching programs offered through the company, entrepreneurs are taught a unique process that has them turn their 5-figure business to one that makes 6-figures, and then transforming it from 6-figures to 7-figures.

ClientAttraction.com's continued growth and success is in large part due to Fabienne's commitment and loyalty to her clients, serving them by offering unsurpassed value in the industry. The company also focuses on expanding their marketing to reach more and more potential clients who can benefit from the company's content and programs. As the company forges through the 4th quarter of 2011 and into 2012, even more emphasis will be placed on scalability and leveraging technology—the goal being to take their clients' entrepreneurial dreams and teach them how to turn them into reality by doubling, tripling, or quadrupling profits, all while living out their true purpose.

"The leaders of the companies on this year's Inc. 5000 have figured out how to grow their businesses during the longest recession since the Great Depression," said Inc.

president Bob LaPointe. “The 2011 Inc. 5000 showcases a particularly hardy group of entrepreneurs.”

“It’s an honor that ClientAttraction.com has been recognized by such a prestigious and well-regarded organization like Inc.,” says CEO and founder Fabienne Fredrickson. “ I believe that this is the “Age of the Entrepreneur”. No longer is it ‘safer’ to work for a large corporation, collecting a regular paycheck. In fact, it’s infinitely riskier. Instead, the safer option (and most promising predictor of your income) is having your own business. This honor certainly reflects that and the need for coaching and our unique services for entrepreneurs looking to grow their businesses, increase profitability and set milestones especially during one of the worst economies of our lifetimes. We look forward to what the future has in store for our clients and ClientAttraction.com alike.”
